## 1. Parties and loan reference

Identifies who lent, who borrowed, and exactly which loan is being closed.

---

---

## 2. Final payment details

Records the date, amount, and method of the last payment received.

---

---

## 3. Confirmation of full repayment

States the loan, including all interest and fees, has been repaid in full.

---

---

## 4. Release

Confirms the lender has no further claims against the borrower under this loan.

---

---

## 5. Return of documents

Commits the lender to returning or marking cancelled any promissory note or original agreement.

---

---

## 6. Errors and adjustments

Optionally notes how a genuine calculation error discovered later would be handled.

---

---

## 7. Signature

The lender signs and dates; the borrower keeps the original.
